

Alternatively, the authors could publish in Bulgarian Chemical Communications (<http://www.bcc.bas.bg/>). Before you start preparing your manuscript according to the Journal's authors guide (http://www.bcc.bas.bg/BCC_Guide.html) please contact me at antons@uni-plovdiv.net.

The manuscripts will undergo thorough selection process carried out by the distinguished Scientific Committee Members and Journals' Editorial team and only the high quality papers which are suitable for publication will be considered.

The deadline for submitting the manuscripts (doc/docx files only) is **June 30, 2025.**
